**Lodeynoe Pole**

Date:  
**26.05(SUN)**

On the left bank of the Svir there is a city of Lodeynoye Pole, the regional center of the Leningrad region. Its name is associated with the ancient craft of its inhabitants - the construction of boats, or lodges, as sailing cargo ships were called in the old days.

**Svirstroy**

Date:  
**26.05(SUN)**

The village of Svirstroy is located on the left bank of the Svir River. It arose during the construction of the Nizhne-Svirsky hydroelectric complex, which was directly connected with the history of the whole country.

**DAY 3**      27.05.2024, Monday      Vytegra

**Vytegra**

Date:  
**27.05(MON)**

Vytegra - the district center of the Vologda region. The name of the city has been known since 1710, when Peter the Great ordered the creation of the Vyanga pier here, the name was given by the Vytegra river, into which the Vyang-stream flowed. And the name of the river, quite likely, is taken from the languages of the peoples that have long inhabited these places: Veps, Finns, Karelians, Sami. The river flowing from Lake Matko began to be called the "lake river", that is, Vytegra.
